

Q3 2026 finance review

Not published. These figures are ahead of the Q3 results announcement on 6 November and must only be processed on systems Kernwerk operates itself.

EUR million	Q3 2026	Q3 2025	Change
Revenue	1,842	1,905	-3.3%
EBITDA	206	248	-16.9%
EBITDA margin	11.2%	13.0%	-1.8 pt
Free cash flow	74	131	-43.5%
Order intake, gearbox division	612	540	+13.3%

Decisions for the board

1. Close final assembly at Werk München by Q2 2027 and move it to Werk Brno. One-off cost EUR 48m, saving EUR 31m a year from 2028. 420 roles affected. The works council has not yet been informed.
2. Lower the full-year EBITDA guidance from EUR 910m to EUR 840m before the results announcement.
3. Continue exclusive talks on Project Lindwurm, the acquisition of a Czech drive-electronics supplier at an enterprise value of about EUR 260m.

Any disclosure before 6 November could breach market abuse rules.
